

The background features a dynamic composition of overlapping rectangles in various colors. A large, solid black triangle is positioned in the lower-left corner. Overlaid on it are several other rectangles: a light purple one at the top left, a pink one extending from the top left towards the center, a blue one in the middle right, and a dark navy blue one at the bottom right. The colors transition and overlap to create a sense of depth and movement.

Monday

Help your kids to save the Earth.

Good teachers know that just spouting facts to children doesn't work, and for the team at Tinybop encouraging kids to learn through play, discovery and exploration is the primary goal.

Tinybop's educational apps are an irresistible way to engage with aspects of the natural world (and the man-made) - each one allowing children to explore...
